Your **home's** reliable  
hot water source.

STORAGE & INSTANT WATER HEATERS

# CG ACQUINA

Storage Water Heater

**Capacity:** 15L / 25L

Energy Saving

Suitable for Multi-story

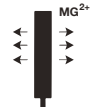

Whirl Flow Technology

LED Indicator

3 Layers of Safety

Magnesium Anode

## Key Features:

- Glass line tank with vitreous porcelain shield.
- Three layer safety with auto reset facility.
- Fast heating copper element with nikel coating.
- Long lasting tank with double endurance standards.
- Unique aesthetics with colour changing LED indicator.

PRODUCT	2 YEARS
INNER TANK	7 YEARS

## Colour Options:

# CG CONVECTO NEO

Storage Water Heater

**Capacity:** 6L / 10L / 15L / 25L

Lead Free  
Coating

Quick  
Heating

Anti  
Corrosion

IPX4

Energy  
Saving

Suitable for  
Multi-story

## Key Features:

- Inner tank with ecological lead free coating.
- Magnesium anode – anti corrosion.
- Water resistance and splash proof IPX4.
- Antirust galvanised body.
- High density PUF insulation for energy saving.
- 0.8 MPa pressure for high rise building and pressure pump application.
- 2 years product warranty.

PRODUCT	2 YEARS
INNER TANK	5 YEARS

# CG CONVECTO

Storage Water Heater

**Capacity:** 10L / 15 / 25L

Titanium  
Shield

Quick  
Heating

Anti  
Corrosion

IPX4

Energy  
Saving

Suitable for  
Multi-story

## Key Features:

- Glass line tank with titanium shield.
- Magnesium anode – anti corrosion.
- Antirust galvanised body.
- Water resistance and splash proof IPX4.
- Superior heating element 1.2 Kgs – quick heating.
- High density PUF insulation for energy saving.
- 0.8 MPa pressure for high rise building and pressure pump application.

PRODUCT	2 YEARS
INNER TANK	7 YEARS

# CG FIERA

Storage Water Heater

**Capacity:** 6L / 10L / 15L / 25L

Long Life

Titanium  
Shield

Quick  
Heating

Anti  
Corrosion

IPX4

Energy  
Saving

Suitable for  
Multi-story

## Key Features:

- Glass lined tank with titanium shield.
- Magnesium anode – anti corrosion.
- Water resistance and splash proof IPX4.
- Plastic body Geyser.
- Superior heating element 1.2 Kgs – quick heating.
- High density PUF insulation for energy saving.
- 0.8 MPa pressure for high rise building and pressure pump application.

PRODUCT	2 YEARS
INNER TANK	5 YEARS

# CG VISPA

Instant Water Heater

**Capacity:** 3L - 3Kw & 4.5Kw

Long Life

Anti  
Corrosion

Quick  
Heating

IS:8978:1992

CM/L-8800121588

## Key Features:

- Shock proof body for long life.
- Faster heating with superior element.
- 5L Safety : Thermostat system to prevent from dry heating.

PRODUCT	2 YEARS
INNER TANK	5 YEARS

# CG EDANA

Instant Water Heater

**Capacity: 3L / 5L**

Prevent From  
Over Heating

Shock  
Proof

5 L Safety

Suitable for  
Multi-story

IS:8978:1992

CM/L-8800121588

## Key Features:

- ISI mark.
- Antirust and shock proof body for long life.
- High quality thermostat to prevent from over heating.
- Suitable for high rise building and pressure pump applications.
- 5 L Safety : Stem thermostat, pre-set thermal cut-out, PRV, fire proof power cord, anti-syphoning system to prevent from dry heating.

PRODUCT	<b>2 YEARS</b>
INNER TANK	<b>5 YEARS</b>

# CG IMMERSION WATER HEATER

Immersion Heater

**Capacity:** 1000W / 1500W

Copper tube element for efficient heat transfer

Touch protection cover ensuring protection against electric shock

Elegant & sturdy bucket hook

Nickel plating for corrosion resistance
